

Go Green in the City 2017

Think Big. Think Green. Think Schneider Electric.

Global case challenge by Schneider Electric

Submit your innovative solution for urban energy management challenges. Your idea could win you a trip to Paris where you will compete for the grand prize: a sponsored trip around the world and a job offer at Schneider Electric*, a global leader in energy management and automation.

Deadline: May 12th, 2017

Learn more and apply at GoGreenintheCity.com.

* The winner can choose to visit Schneider Electric offices in two countries. The specifics of the offered position will match the requirements of Schneider Electric.
